Greetings Coaches,

It is that time of year again! You're receiving this letter because: 1) You coached last year and we want to see if you'll coach again, 2) You have expressed interest in helping out with coaching, 3) We think you'd be a good coach and hope to recruit you!

If you are interested in managing or coaching this year, whether returning or new, please submit this completed form to the TTCC office. **There are no guarantees at any level for any position.** Team managers will be designated by the Commission and will choose their own coaches providing they are approved by the Commission and have completed background check and other coaching requirements. This is in accordance with the Newfound Cal Ripken/Babe Ruth By-laws.
