

Project S.T.R.E.A.M.S. is... Super Trips, Radical Events And Mountain Sleepovers

STREAMS is an outdoor nature camp based at the Slim Baker Area. An appreciation of the environment is stressed through activities which include outdoor games, hiking, camping, swimming and more. Also included in the camp sessions are sports, games, crafts, special events, themes, overnights, and awesome field trips.

Campers may pack their own lunches (no glass) or have the lunch that is provided. Campers should also bring WATER BOTTLES, swimsuit, towel, sweatshirt, bug spray, sunscreen, etc. Sneakers or hiking boots must be worn, absolutely no sandals are allowed at camp.

STREAMS participants get dropped off and picked up at the Middle School. In the event of inclement weather, drop off & pick up will be at the TTCC. All campers must be dropped off no earlier than 9:00 am and picked up no later than 4:00 pm as they will only be supervised during those hours of camp.

BEFORE & AFTER CAMP: We have early hours (7-9am) & late hours (4-5:30pm) available each day for any parents who may need extended care. Before Camp costs \$6 per day & After Camp costs \$4 per day.

FREE BREAKFAST & LUNCH

The TTCC plans to be able to offer free breakfast and lunch to all summer camp participants! Breakfast will be served at the TTCC, downstairs between 8:30-9am each day. Lunch will also be available on all camp days, served between 11:30am-12:30pm each day. This program is provided to us through the Belknap-Merrimack Counties, Inc. Community Action Program. This is a program of the USDA. USDA is an equal opportunity provider.

SCHOLARSHIP INFORMATION

It is the desire of the Tapply-Thompson Community Center Board and staff to make our programs available to all youth in the community. We realize there are times when paying for a program can be a hardship on a family. We have created a scholarship application process to be used in these situations. Contact the TTCC for details...

2020

REGISTRATION INFO...

Summer registration opens March 1st and goes until the sessions are full!

It is the policy of the TTCC to charge a fee for camp programs for the express purpose of covering expenses. It is also our hope that no area children be excluded from participating. Hence, a scholarship fund and volunteer work exchange program have been established in lieu of total payment. The TTCC tries to keep the cost at a minimum. The cost of camp in 2020 will be \$85 / week.

There is a \$20 registration fee in addition to the weekly camp fee, which includes a camp shirt. The camp shirt will be required for the campers to wear on field trip days so we can keep a better watch on all the children.

TO REGISTER: Visit the TTCC website, www.ttcrc.org or stop by the TTCC and register in the office.

For info on other TTCC camps:

Project PLAY (grades 1-3)
or
Project KNOTS (grades 7 & 8)

Call the TTCC at 744-2713 or check us out online at www.ttcrc.org!
