

2020 TTCC SUMMER CAMP DROP OFF & PICK UP TIMES

We need all families to follow these specific time frames when dropping off and picking up their campers this summer. The below lists are alphabetical by camper's last name & they are listed in a RANGE (so not every camper's name will be listed). For example, a camper with the last name of Baker would be in the first range of drop-off & pick up where as a camper with the last name of Tucker would be in the last range of drop-off & pick up even though their names are not specifically list – that's where they'd fall.

Please contact us with any questions!
