June 21, 2020

Dear Camp Parents,

Thank you for choosing to share your child with us this summer. We look forward to providing them with a summer filled with caring staff, fun activities, and lots of adventures.

We want you to know that we have thought long and hard about whether to open camp this year. In the end we realized that our youth need to have a return to some normalcy and a place that they can be active and just be kids! The safety of your children is our number one priority. We will be following the recommendations from Governor Sununu's Task Force guidelines on Day Camps as well as CDC guidelines.

Please read through the attached manual carefully to learn about what camp will look like and what safety measures will be in place. We have also attached an additional waiver specific to COVID-19 and camp.

After you review this information please feel free to contact us with questions or concerns. We will post answers to commonly asked questions as quickly as we can up on our website and FB page.

We are very excited about being able to offer your child the TTCC camp experience this summer. We look forward to building great memories with them!

TTCC Summer Camp Staff
