

## 2020 Youth Sports COVID-19 Safety Procedures

THANK YOU for choosing to have your child participate in TTCC youth sports! We are extremely excited to be able to offer programs this fall! We will follow the state guidelines & below you will see the highlights of those (for the full version: <https://www.covidguidance.nh.gov/sites/g/files/ehbemt381/files/inline-documents/2020-05/guidance-amateur-youth-sports.pdf>)

- **ARRIVAL/SCREENING:** Participants should arrive at the field no more than 10 minutes prior to scheduled time (if you arrive earlier, please wait in your vehicle until your designated time). There will be an area set up for screening each day and you will be asked the following questions followed by a temperature check.
  - Has your child had any symptoms of COVID-19 or a fever of 100.4 degrees F or higher?
  - Has your child had any close contact with someone who is suspected or confirmed to have had COVID-19 in the past 14 days?
  - Has your child traveled in the past 14 days outside of NH, ME or VT?
  - If the answer is yes to any of the above questions, please do not allow your child to attend.
  - We ask that parents & players wear a mask/face covering during the screening process.
- **LOCATIONS:**
  - K/1 Soccer – played at Kelley Park Soccer Field – Please park along N. Main St. past the tennis court area. Screening will be done on hill behind softball field for all players before they enter the playing field area.
  - 2/3 Soccer – played at Kelley Park Field Hockey Field – Please park along N. Main St. before tennis court. Screening will be done under the pavilion for all players before they enter the playing field area.
  - Field Hockey – played at Kelley Park Field Hockey Field – Please park along N. Main St. Screening will be done under the pavilion for all players before they enter the playing field area.
  - 4-6 Soccer – played at BHVS – Please park in designated parking spots in parking lot. Screening will be done for all players before they enter the playing field area.
- **Other Guidelines:**
  - Coaches will be provided with hand sanitizer and players and coaches will be required to hand sanitize at the beginning, middle, and end of each meeting.
  - Coaches and volunteers should wear a mask when social distancing is not possible (when on the sidelines talking to a player, completing the health screening, attending to an injured player, etc.)
  - Players are encouraged to bring their own equipment\* with name clearly marked on it. *\*TTCC can provide equipment for those that need it – we will supply players with a soccer ball, field hockey stick & pinnies to use as theirs for the season. You can mark players initials on them to help identify the equipment, but we do ask that all equipment be returned at the end of the season.*
  - Only coaches and players shall be allowed on the playing fields.
  - Players will place equipment and belongings 6 feet apart (or with parents) and benches will not be used.
  - All participants need to bring their own water bottles with their names clearly marked on them, no sharing of water or shared water jugs are permitted.
  - Players are encouraged to practice social distancing and wear masks when on the sidelines and not involved in game play.
  - Players and coaches should not high-five their teammates or opponents.
  - Shared equipment will be cleaned and disinfected following each practice or game.
  - Teams will have their own equipment for practice that will not be shared between groups.
  - Parents/spectators will be asked to practice social distancing and sit 6 feet away from other families. Please limit spectators to immediate family members only so that we can reduce the number of people at the fields as much as possible.
  - Parents/spectators will be asked to wear a mask when social distancing is not possible.
- If you have any questions or concerns, please contact the TTCC office at 744-2713 or [ttcc@metrocast.net](mailto:ttcc@metrocast.net).
