

2020 Youth Sports COVID-19 Safety Procedures

- Coaches (or designated team volunteer) shall be responsible for completing a health screening of all coaches and players upon arrival at the field each day.
 - Any child or coach displaying COVID-19 symptoms, has a temperature over 100.4 F or who has had direct contact with someone who has tested positive for COVID-19, will not be permitted to participate.
- Coaches will be provided with hand sanitizer and players and coaches will be required to hand sanitize at the beginning, middle, and end of each meeting.
- Coaches and volunteers should wear a mask when social distancing is not possible (when on the sidelines talking to a player, when completing the health screening, when attending to an injured player, etc.)
- Players are encouraged to bring their own equipment (soccer ball, field hockey stick, etc.) with name clearly marked on it.
- Only coaches and players shall be allowed on the playing fields
- Players will place equipment and belongings 6 feet apart and benches will not be used.
- All participants need to bring their own water bottles with their names clearly marked on them, no sharing of water or shared water jugs are permitted.
- Players are encouraged to practice social distancing and wear masks when on the sidelines and not involved in game play.
- Players and coaches should not high-five their teammates or opponents.
- Shared equipment will be cleaned and disinfected following each practice or game.
- Teams will have their own equipment for practice that will not be shared between groups.
- Parents/spectators will be asked to practice social distancing and sit 6 feet away from other families.
- Parents, spectators, will be asked to wear a mask when social distancing is not possible.
