Tapply-Thompson Community Center *Youth Soccer Program Rules & Regulations*

*****DUE TO COVID-19, there will be several program modifications this year. We may modify team numbers to keep group sizes down and we will also play primarily just “in-house” meaning we won’t be traveling to other towns to play.***

PHILOSOPHY:

- The TTCC Recreational Soccer Program is a developmental soccer program for all youth players. The league accepts as participants any eligible youths, without regard to skill level.
- The use of tryouts or player recruiting in order to roster players to any recreational team on the basis of talent or ability is prohibited. Recreational players may not be “cut” from the team.
- The TTCC uses a “Skills Assessment Day” for rostering players to teams to establish a fair and balanced distribution of playing talent among all teams participating in each division.
- To further enhance the Recreational Program, the TTCC supports USYSA’s teaching philosophy with respect to small-sided soccer in K-6. This philosophy allows the game to be the teacher by maximizing each player’s touches on the ball and encourages all the players to develop their skills in all positions. Further, the philosophy discourages intense competition until the older age groups.

3. Make fun and technique development your first priority.
4. Your child's coach will need all the support and help you can offer. Please make yourself available and volunteer all the time you can spare.
5. Disagreements with the coach or officials do not belong on the public soccer field. Questions, input and positive suggestions should be voiced to the coach and/or the club in an adult atmosphere. (The youth player should not be present.)
6. The overall purpose is to enjoy the game and the opportunity to be with your child on the field of play.

SOCCKER: The Sport

The purpose is to score goals.

How: Two teams face each other and try to put the ball in the opponent's net.

Where: The game is played on a level field similar to a football field, with goals at each end.

The size of the field should be appropriated for the younger player.

The team: Only 11 players per team may be on the field at a time. Smaller sized teams are recommended for the younger age groups.

Each team is comprised of: goalkeeper, defender, midfielder, and forward

- Goalkeeper: is unique in that this player may use his/her hands to defend the goal area and to stop the other team from scoring. It is not recommended to have a goal keeper at the younger age levels.
- Defenders: their secondary role is to close down the space and the attack of the opposing team. Their primary role is to take the ball away and start the attack in their team's favor.
- Midfielders: play the most complete game in that they must be offensive and defensive players at all time. The midfielder is where the attack begins.
- Forwards: they finish (score) the attack: They must be willing to come back and aid at midfield to start the attack.

All players must develop offensive and defensive skills and every player has the potential to be a scorer. There is no such thing as a fixed space or position in soccer. Players may interchange positions according to the flow of the game. Coaches are encouraged to move players around the field as often as possible to allow them to experience all different positions.

Infractions: the referee/coach watches play and when a foul occurs s/he stops play and awards the ball to the team that didn't commit the foul. Fouls and misconduct can and will occur even at this level. All fouls shall result in an indirect kick, meaning that a goal may not be scored until the ball has been played or touched by a second player of either team, with opponents at least 3 yards away. Fouls consist of:

- Kicks or attempts to kick an opponent
- Trips or attempts to trip an opponent
- Jumps at an opponent
- Charges an opponent
- Strikes or attempts to strike an opponent
- Pushes an opponent
- Tackles an opponent to gain possession of the ball
- Making contact with the opponent before touching the ball
- Holds an opponent
- Spits at an opponent
- Handles the ball deliberately (hand ball)
- Plays in a dangerous manner
- Impedes the progress of an opponent (obstruction).
