

Dear Newfound Families,

The Tapply-Thompson Community Center will again be offering the Operation Warm program to local families. This program is available to supply winter coats, boots, snowpants, mittens & hats to local youth that may need them. We cannot guarantee boots and snow pants to youth in grades 9-12.

The TTCC, with the collaboration of the Bristol Fire Department & Bristol Community Services began this program in 2019 and have supplied items to over 500 youth in our Newfound School District.

We are grateful to the Greater Lakes Region Children's Auction for the funds provided to keep this program going.

The order form, included below, has been updated this year. We ask that the forms be turned in by the date listed to give us time to order items not in stock. Forms can be given to the school or TTCC. Please be sure to fill out the form completely.

We are going to have open shopping this year so that families can bring their children in to try on the items needed. The hours we will be open are listed on the form. If you are unable to come at those times, we can put your order together for pick up at a time during the week.

A big thank you to the many local community members that donate items throughout the year and to those that take time to knit hats, mittens & scarves. Your support is so important to the program and our youth!

Happy Fall from all of us at TTCC 😊
