A couple of Operation Warm  
Happy Customers!

Dear Newfound Families,

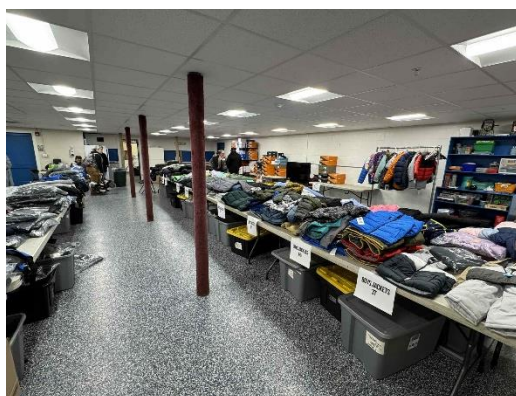

The Tapply-Thompson Community Center is proud to be offering the Operation Warm program to local families. This program is available to supply winter coats, boots, snowpants, mittens & hats to local youth that may need them.

The TTCC, with the collaboration of the Bristol Fire Department & Bristol Community Services began this program in 2019 and have supplied items to over 600 youth in our Newfound School District.

***We are grateful to the Greater Lakes Region Children's Auction for the funds provided to keep this program going.***

A big thank you to the many local community members that donate items throughout the year and to those that take time to knit hats, mittens & scarves. Your support is so important to the program and our youth!

From all of us at TTCC 😊
