

2020 Youth Sports COVID-19 Safety Procedures

THANK YOU for choosing to have your child participate in TTCC youth sports! We are extremely excited to be able to offer programs this winter! We will follow the state guidelines & below you will see the highlights of those (for the full version: <https://www.covidguidance.nh.gov/sites/g/files/ehbemt381/files/inline-documents/2020-05/guidance-amateur-youth-sports.pdf>)

- **ARRIVAL/SCREENING:** Participants should arrive no more than 5 minutes prior to scheduled time (if you arrive earlier, please wait in your vehicle until your designated time). Please be sure to pre-screen athletes prior to each session:
 - Has your child had any symptoms of COVID-19 or a fever of 100.4 degrees F or higher?
 - Has your child had any close contact with someone who is suspected or confirmed to have had COVID-19 in the past 14 days?
 - Has your child traveled in the past 14 days outside of NH, ME or VT?
 - If the answer is yes to any of the above questions, please do not allow your child to attend.

- **OTHER GUIDELINES:**
 - Everyone will be asked to wear a mask at all times during the TTCC basketball program (players, coaches, parents & anyone else in and out of facilities). If masks need to be lowered (to take a drink or for a brief “mask break”), be sure to maintain a safe distance away from others.
 - Coaches will be provided with hand sanitizer and players and coaches will be required to hand sanitize at the beginning, middle, and end of each meeting.
 - Players are encouraged to bring their own equipment with name clearly marked on it. *TTCC can provide equipment for those that need it – we can supply players with basketballs & pinnies to use as theirs for the season but we do ask that all borrowed equipment be returned at the end of the season.*
 - Mouthguards will not be required.
 - Only coaches and players shall be allowed in the gymnasium during skills sessions. 1 parent can remain on site (in hallway) during session, wearing a mask & maintaining a safe distance away from others. For younger levels, parent must remain on site.
 - Players should be sure to place equipment and belongings a minimum of 6 feet apart.
 - All participants need to bring their own water bottles with their names clearly marked on them, no sharing of water or shared water jugs are permitted.
 - Any shared equipment will be cleaned and disinfected following each session.

- If you have any questions or concerns, please contact the TTCC office at 744-2713 or ttcc@metrocast.net.

****PLEASE NOTE**** *Guidelines are constantly changing. We will do our best to keep up with current recommendations and we will keep in communication with all participating families of changes as they are made!*
