*Once a month special event—announced at high school & posted on TTCC website and Facebook!

Tapply-Thompson

Teen Council

TEEN COUNCIL

The TTCC teams up with NRHS to form the TTCC Teen Council at the beginning of each school year and they meet regularly throughout the school year. They help plan & lead many of the different TTCC events &

activities - such as Parent's Night Out, Teen Dances & the Halloween Haunted Basement. You'll also see them helping coach & sponsor youth sports teams, set up Santa's Village, help our One Stop X-Mas Shop shoppers & much, much, more! This great group has done a tremendous job getting involved and making a difference here at the TTCC. For more info on getting involved, contact Gina at rrichford@ttccrec.org

TEEN DANCES

Sorry for the Inconvenience!!
Teen Dances are Canceled
Due to renovations/repairs.

Interested in being a summer camp counselor for the TTCC? Now accepting applications!

2023 YEAR IN REVIEW

Our Mission:

Building a stronger community through enriching activities, recreation & family support

Our Vision:

A community where people of all ages are engaged, encouraged, and nurtured

2023 has been a wild ride here at the TTCC with so many positive things happening!

As we enter 2024 we will be reviewing options for our 2nd location which will have a full-size gymnasium in the plans. With our ever-growing programs we need additional space to provide our communities with our many activities. We will not be leaving our current building but have received a \$1,000,000 grant to do renovations and upgrades in our much beloved space. This will include a new handicap entrance with access to the basement and main floor, electrical upgrades, new security system and relocation of the offices.

Work has begun and will be done in phases as we will continue to be using the building for programs. This past summer we were able to bring back our 'Westward Bound Teen Expedition' trip after a hiatus during Covid. This is an award-winning program that takes 12 incoming freshman students on a trip to visit National Parks in the Western United States. The chaperones include the TTCC Director, Principal of the High School and two High School teachers. This was our 14th trip and we visited the Arches National Park, Mesa Verde, Four Corners, and Great Sand Dunes National Park. It has been described as 'life changing' by many and the relationships that are built with the High School staff make an incredibly positive impact on their HS career.

This year we were able to provide over \$28,000 in program scholarships to area families and had over 1,000 participants in our programs. We have teamed up with Newfound Country Store to offer the Annual Bridgewater Turkey Trot event. This event raised over \$14,000 in 2023 which provided local families with gas, food and clothing gift cards to help those that are struggling. We continue to offer our Every Child is Ours weekly food bag program. This program provides bags of food containing 10 items for students that may be food challenged on weekends. We are currently filling 142 bags each week. Our Operation Warm program provided 136 children with coats, snowpants and boots this past fall. Clearly the need is great in our communities and we are grateful for all of the support we receive to make these opportunities available.

This past summer our camps filled within the first few days of registration opening. This created a waiting list of 60 children. Realizing how much these families depend on us for the well-being of their children in the summer we had to get creative! We made the decision to add a 4th camp – Project QUEST. Additional staff was hired and we were able to secure the use of the Bristol Elementary School as the site for that group. Incredibly, we were able to take everyone off from the waiting list. We averaged 170 campers per day and despite the rain, rain, rain we were able to have a safe, fun, and successful summer!

We continue to offer all youth sports, adult pickleball, Shape Up Newfound and have added Dog Obedience, Adult Tap & Hip Hop, Youth Karate & Youth Dance classes. Baseball & Softball registration begins in February and Summer Program registration opens on March 1st.

We have been incredibly fortunate for the support from our donors and supporter's this year as we raise funds for our building projects. And it is important that we give a huge thank you to our many volunteers that help us to provide youth sports, staff events, and help wherever needed. We could not accomplish this without all of you! What an amazing community we live in!

This is just a brief snapshot of what we have been doing over the past year. We look forward to serving you in 2024! On behalf of our TTCC Staff & Board we thank you!!
