Dear Parents,

We are pleased to offer your child a chance to gain experience at the Tapply-Thompson Community Center as a Counselor-in-Training (CIT) this summer. If you and your child are still interested in this opportunity, please read on, complete the necessary forms and return to the TTCC ASAP.

As a CIT your child will be assigned to a specific counselor group and they will assist with the day-to-day activities of that group. After two weeks, each CIT will be evaluated and depending on their performance, they may be asked to continue on for the summer. Our hope is that this will be a positive learning experience for them and allow them to attain the necessary skills to potentially become a junior counselor and then a full counselor in the future.

Camp runs Monday-Friday from 9:00am – 4:00pm beginning on June 30th and ending on August 22nd. CITs should arrive each day by 9am at their specific camp meeting site and can be picked up there at 4pm. Each CIT will receive one staff shirt to be worn on Mondays & Field Trip days. CITs are responsible for paying their field trip costs, which will be due the day of the trip.

As the CIT program is an “extended camp experience” there is a \$20/week charge for your child to participate in addition to the weekly field trip costs. If this is a hardship, we would encourage you to apply for a scholarship to help offset the cost.

Please see enclosed sheet with specific staff training dates and other important information for the summer. We have also enclosed a registration form for you to complete so that we have emergency information on file.

Please feel free to contact us if you have any questions regarding our program.

Thanks!
