OLD BUSINESS

Land Sale: The property at 171 North Main Street has sold and our proceeds were \$102,000. We have two weeks to move the Blue Box.

Lead Report: Les reviewed the results of the Lead Testing that was done by Mari Fontaine of Atlas Lead. There are multiple areas that need to be addressed which include:

- Archery Range Floor needs to be painted and sealed.
- Storage closet in downstairs bathroom hall needs to be disposed of.
- One shelf in the downstairs custodial closet needs to be taken out.
- The closed door in the downstairs custodial closet needs to be removed.
- The new storage closet in the upstairs needs to have the walls repaired and sealed.
- The wall mounts on the basketball hoops in the gym need to be sealed.

Mari is asking the State for a variance to allow us to have the work done in phases and keep the programs running. We need to hire certified contractors to do the work.

Wall Repair: The wall in the back of the building has been rebuilt. The insurance covered \$2,200 and our deductible was \$5,000.

Parkhurst Property Update: Lorna had a response from Woody that was a bit discouraging. They are not planning on coming down on the price. Woody is away for a week so we will reach out when he returns.

TTCC Building Project Update: We have had no communication from our Contractor since Doug, Rick and Les met with him in mid-April.

NEW BUSINESS

Golf Tournament: This will happen on 6/21. Dan will reach out to all teams to make sure they are still coming but at this time we have a full 18 teams. It would be great to have help at registration.

4th of July Parade: Tabled.

Gala/Fall Building Celebration: Tabled to discuss with Events Committee.

Ben LaRoche moved to go into non-public. Jason Briand seconded.

The potential land purchase was discussed.

Vincent Milano moved to come out of non-public. Frank Dolloff seconded.
