OPERATION warm more than a coat®

The TTCC's Operation Warm program helps provide local youth with the winter clothing they need to stay warm, comfortable, and ready for school and play. Since 2019, TTCC has provided winter coats and

other cold-weather items to more than 600 youth in the Newfound School District. Through the program, local families can receive **new winter coats, boots, snow pants, hats, mittens, and gloves** for their children. The program is made possible through generous community support and funding from the Greater Lakes Region Children's Auction.

2026 Shopping dates—10/24 & 11/7

For more information & application, please visit the TTCC website!

NEWFOUND EVERY CHILD IS OURS

Every Child Is Ours is a national non-profit providing children in need with food. Our local chapter was adopted by the TTCC & Bristol PD to benefit the Newfound community. There are children who go home from school on Fridays and have little or no food over the weekend. During the week, they rely on the schools' breakfast & lunch programs for meals. Our goal is to send these children home with food to eat during the weekend. No child should be left hungry! You can donate! Check TTCC website for list of suggested food items. Items can be dropped off at the Bristol PD 24/7 or at TTCC. We also accept donations - cash or check to TTCC. (Picture - "Cram a Cruiser" event)

The New Hampshire Marathon at Newfound Lake!

One of the biggest annual sporting events in the Newfound Area is the New Hampshire Marathon! **The 33rd Annual Event is scheduled for Saturday, October 3rd, at 9am.** We expect over 500 runners will participate in the 26.2 mile run and its fellow events including a 13.1 half marathon, 10K road race & kids race. Not only does the field feature many local runners, but also has attracted runners from 45 different states and 10 different countries.

With the help of their generous sponsors, the NH Marathon has raised and donated over \$445,000 since 1995 to local youth-centered non-profit organizations. This event also benefits the local economy by bringing in many athletes and families who support local businesses.

Participants in the 10K run and marathon will begin on Lake Street, in front of the Newfound Memorial Middle School while the Half Marathoners start at Sculptured Rocks in Groton. Downtown Bristol traffic going both ways will be temporarily delayed while runners start out. (North Main Street will remain open as a detour).

A big event means the **NEED FOR VOLUNTEERS** is greater than ever with many tasks required to ensure the safety of participants, spectators and drivers. Jobs include helping with registration, parking cars, directing traffic, staffing water stops along the route and assisting at the finish line. If you would like to be part of this amazing annual event, please contact the Race Committee at race@nhmarathon.com.

For those interested in participating, registration is still open! Entry fees up to the day of the races are \$85 for the Marathon, \$65 for the Half Marathon & \$40 for the 10K Road Race. Check in time will be 7:00-8:45am on race day in the NMMS cafeteria ****HALF MARATHONERS MUST CHECK IN BY 8AM ON SATURDAY—LAST BUS LEAVES AT 8AM SHARP!!!** Pre-registered runners may also check in on Friday 10/2 from 4:30-6:30pm. Those interested in the pasta dinner on Friday 10/2 may pre-register for \$10 or at the door for \$12, 5-7:30pm.

For more information, call 744-2713 or email race@nhmarathon.com. Maps, lodging and sponsor info, entry form, online registration and more may also be found online at www.nhmarathon.com.
