Mission, Vision, Values

Mission: *Building a stronger community through enriching activities, recreation & family support*

Vision: *A community where people of all ages are engaged, encouraged, and nurtured*

Values: We embrace our core values of:

⇛ *Creating a community of warmth and belonging, where everyone is welcome*
⇛ *Being responsible stewards by leading with honesty, integrity and transparency*
⇛ *Collaborating as a regional community of municipalities, schools, other area organizations, businesses and supporters to continue to grow, evolve, and adapt in changing times*

Tapply-Thompson Community Center

2026-2027 Supporter's Newsletter

Celebrating Eighty Years and a New Era

Our Continued Commitment to Community

This past year has marked several significant milestones in our organizations history which began in 1946 as the Bristol Community Center with Wink Tapply serving as its first director. With the shared vision and guidance from AB Thompson, the direction and philosophy of what would become the Tapply-Thompson Community Center (TTCC) was established in those early years by the dictate of their own words, "If one young adult life is influenced for the good, it is money well spent". That sentiment has been set and strived for ever since, through 15 different directors and now another changing of the guard coming at the first of the year.

Daniel MacLean, who has been with the center for over twenty years will become the organizations 16th Director, as Leslie Dion will be retiring at the end of the year after a 30 year tenure and absolute mountains made of life-shaping memories. Over her time at the TTCC, Leslie has started so many programs such as the Westward Bound Teen Expedition Project, Every Child Is Ours, and Operation Warm, -all three being public benefit programs that are offered at no cost. She has been a strong and steady voice that has given shape and inspired generations of visitors and overseen monumental changes that have helped usher in this new era.

After eighty amazing years of service, that new horizon is now upon us. This past year we continued seeing increased program numbers across the board, as we helped put into place 75 different offerings. From a growing pickleball program to our second year of offering music lessons, we literally have something for everyone as we plan for our next big project -the building of a new community center. As our growth has stretched the seams of what our current building can contain, we have charted a course for a new center to be built, with the purchase of the perfect property occurring this past year and with designs being drawn up within the next few months. We will be continuing to hold public listening sessions to get your input and ideas on how we can make the combination of our current center and a new facility the perfect place for the future.

The work ahead will take all of us coming together to decide what we want our communities to look like, and what we want to see in a new facility that will serve generations to come. We will continue our commitment to you all by providing a special place where everyone is welcome and to ensure that everyone's voice is heard. You have been a huge part of our shared success, as we are asking for your help with this year's 2026-2027 Annual Fund Drive.

Your tax-deductible gift helps us to send a kid to summer camp, provide a meal for families over the weekend and to provide warm and dry clothing to those in need. You can make a donation by going to www.ttccrec.org or by going online on Giving Tuesday, December 1st and following the links to donate. The TTCC is a 501©3 Non-profit and all donations are tax deductible! Thank you so much for your support and have a Wonderful Holiday Season!

For more information on how you can help, please call the Community Center at (603) 744-2713 or email us at info@ttccrec.org. You can also visit our website at https://ttccrec.org/ or on our Facebook Page at https://www.facebook.com/TTCC1946

Thank you for your support!!

2026 Marathon Record Breaking Winner!

These brothers LOVE camp!.

Wells Field Baseball Action

DID YOU KNOW…

The vision for a recreational Community Center was brought forth by Rev. A. Brownlow Thompson, in 1927, who was the Minister for the Methodist Church in Bristol. His dream was to have a place for youth to gather and engage in genuine & meaningful activities. The community was not quite ready for the idea at that time. Rev. Thompson brought this idea back in 1946 when the current TTCC Building was no longer being used as a Church but was a gathering place for meetings, events and other activities. The Federated Church agreed to underwrite the cost of a Director and were lucky enough to have "Wink" & Ruth Tapply agree to come up with a year round program with an emphasis on serving youth. The rest is history!

"Winks" reputation as a pioneer in recreation led him to become the Director of the Office of Community Recreation in Concord. In 2015 the current Recreation Director and Assistant Director were given the honor of attending an award ceremony in Las Vegas at the National Recreation & Park Conference where "Wink" was posthumously admitted into the Robert W. Crawford Hall of Fame – the most distinguished honor a recreational professional can receive at the national level. "Wink" became the First Director of the NH Recreation & Parks Association (NHRPA) and an award was implemented at the State level in his name in 1981. The "Wink" Tapply Award is the highest honor bestowed in the NHRPA and the Center has had three staff receive it – Beth Dever, Les Dion & Dan MacLean!

There was an Archery and Rifle Range in the TTCC!

In 1948 the idea of a shooting range was proposed. The youth of that time joined the "10 Bucket Club" and they would come to the Center and fill buckets with dirt from the basement to make way for the range. Over two years they excavated 67' x 16' – no small task. After hearing of this amazing effort the

Every Child Is Ours weekend food supplement bags.

Spaulding Potter Charitable Trust gave a $14,000 donation to finish the project and add a heating system, bathrooms and retaining walls under the main floor. The range was named for Captain Oley Lear, an early rifle marksmanship instructor. The range area now houses the supplies for our Every Child is Ours & Operation Warm Winter Gear programs.

The TTCC has received the following grants over the past year:

- $1,000,000 for a New Community Center
- $56,500 for Youth Program Support
- $35,000 for General Operating
- $31,500 for Every Child is Ours
- $15,000 for Program Scholarships
- $5,500 for Westward Bound Teen Expedition
- $4,500 for Operation Warm

Afterschool fun in the gameroom.

Recent Dog Obedience Graduate

Always Something New!

We're always looking for new ways to bring people together, build skills, and create opportunities for all ages. This year, we introduced or refreshed 17 programs, classes, and special events, ranging from Ballroom Dancing, new Yoga classes, Drumming lessons, Youth Art classes, and Dog Obedience to Lil' Explorers & Lil' Movers, Summer Youth Volleyball, Basketball Skills, Softball Pitching Clinics, and Soccer Referee Training.

We also added new ways to connect and have fun with Music Bingo, Cornhole and Adult Softball Tournaments, participation in the Merrimack Basketball League, Mother Together-NH monthly meetings and Community Conversations event!

New interests, new skills, new friendships. That's what community is all about!

End of summer camp palooza foam party!

Clockwise: 3-4 girls basketball practice at the TTCC, A visit from Frosty during Santa's Village, 2026 Adult Softball Champs Fall soccer in front of awesome new We Are Newfound mural!, Camp counselors all in on Hawaiian Day, Guitar students jamming with the instructor! Local musicians put on a concert to raise funds for TTCC music program.

How can you support our mission? A donation envelope is enclosed.

New snow pants, jackets & boots for the community through Operation Warm.

Or you can use our QR code to donate online!

Summer camp fun in the sun.

We are excited to offer new ways to give to the TTCC with our Planned Giving and our TTCC 'Legacy Society'!

'TTCC Legacy Society'! Through a planned gift, you can support the TTCC for years to come while also meeting personal, financial, tax & estate planning objectives. You can make a gift with an **IRA Qualified Charitable Distribution, Gifts In-Kind, Matching Gifts, Bequests, Beneficiary Designations, Retirement Assets, Donor Advised Funds or Life Insurance**. For more info visit the TTCC website at ttccrec.org. Use the 'Support Us' tab and the 'Planned Giving' link under 'Methods of Giving' or contact the TTCC, at 603-744-2713 or info@ttccrec.org

Testimonials

- *"It's got something for everyone and eventually everyone finds their 'thing'."*
- *"Between after-school childcare, summer camp, and youth sports, TTCC has been the thread that holds our schedule together. And, more importantly, a place that brings joy, structure, and support to my children's lives."*
- *"She absolutely loved it so we were able to get 3 more wks. The staff was always smiling and happy to see the kids in the morning. Everything seemed to be very well organized. The activities were awesome. The field trips were wonderful."*

Hooray for our awesome camper of the week!

- *"It is so much more than a community center – it is a place that brings people together, supports families through life's challenges, and creates opportunities for children to grow, learn, and belong."*
- *"The program has also helped him to branch out into other areas. He's joining other things that he thinks he would find interesting because hey 'Ukulele is fun why not try something else!' It has really helped to bring him out of his shell."*

Granite State Track & Field Participants with Coach Logan

- *"We are so very fortune to have the TTCC in our community. They work HARD to provide fun and enriching programs for our area youth."*
- *"Throughout a difficult transition, the TTCC was a constant source of stability and support for both my children and me. The TTCC provided after-school care and summer camps, allowing me to work longer hours with the peace of mind that my children were in a safe, active, and caring environment."*
- *"TTCC has recently gone through several renovations, but one thing has never changed, and that is the energy. No matter what, if I was ever having a bad day, I knew I could go to the center, and it would put a smile on my face and I've always felt so welcomed"*
- *"We all agree that TTCC is a cornerstone in our community and appreciate your consideration."*
- *"Your campers were incredibly polite and socially aware. Without being asked, they noticed younger children and made room for them to see a snake presentation and take a turn on a swing. They did this simply because they noticed and were being awesome human beings. Thanks to your campers and their staff. Keep up the great work… it's working!" – From a grateful educator on summer break.*

PLAY campers taking in the amazing views of the White Mountains.

Additional Program Numbers & Stats…

Westward Bound Teen Expedition: 17 Years of Making a Difference

Since 2007, the Westward Bound Teen Expedition has given more than 200 incoming freshmen the opportunity to explore places, experience new adventures, and build confidence in ways they may never have imagined. Created by Matt Seaver and Les Dion in partnership with the local school, this unique program brings 12 teens and four adult chaperones on an unforgettable journey out West.

Participants are selected for their potential, character, and willingness to grow, with special consideration for students who may not otherwise have access to these kinds of experiences. Along the way, teens develop independence, strengthen friendships, discover new perspectives, and build connections that help them start high school with greater confidence.

Seventeen years. More than 200 students. Countless memories, new experiences, and opportunities to grow. That's the lasting impact of Westward Bound.

❖ Summer Camp by the Numbers… what a summer! Across four different camps, 266 campers registered and joined us for an average of 150 kids each day over 40 days of summer fun. That adds up to approximately 6,000 camper-days filled with activities, friendships, and memories that will last long after summer ends. And we didn't stay in one place! Our campers ventured out on 102 field trips to 35 different destinations, exploring new places, trying new things, and making the most of every summer adventure. Four camps, 40 days, 102 field trips, and countless memories! That's a summer well spent at TTCC.

❖ The TTCC has provided $57,148 in program scholarships to 136 program participants helping ensure that every child has the opportunity to participate in our programs, regardless of their family's financial circumstances.

❖ Our dedicated staff and volunteers work together to offer over 115 programs and activities throughout the year! From more than 70 youth programs and 30 special events to 15 adult offerings, we bring our community together across 24 different facilities. Behind it all are 550+ volunteers contributing more than 8,700 hours to make it happen!

❖ Through our Newfound Every Child Is Ours weekend food supplement program, we distributed 5,841 food bags to local families during the last school year, averaging 180 bags each week! With 10 food items in every bag, that's an incredible 58,410 individual food items helping provide children and families with nourishment over the weekends.

❖ The 33rd Annual NH Marathon had another record-breaking year, with 885 registered runners! More than 100 volunteers helped make the event a success, staffing 13 water stops and providing road safety along the course. Runners representing 38 states, including Alaska and Hawaii, joined international participants from Peru, Australia, Brazil, and Canada. With four events (Kids Race, 10K, Half Marathon, and Full Marathon), participants ranged in age from just 3 to 86 years old. This year also saw a new marathon record set! Best of all, proceeds from this longstanding community event benefit the TTCC, the Mayhew Program, and the Circle Program, helping support important work throughout our region.

2026 Westward Bound Participants at Mammoth Hot Springs in Yellowstone.

Pickleball volunteers installing new windscreen at Kelley Park.

❖ Our pickleball community continues to grow, with 267 players on our TeamReach app and opportunities to play six days a week, year-round! But this group brings so much more than their love of the game. They're some of TTCC's biggest supporters, volunteering their time to peel apples, wrap gifts, decorate for Santa's Village, and help with countless other programs. When they wanted a windscreen for outdoor play at Kelley Park, they didn't just ask for one. They organized a Music Bingo fundraiser, raised the money needed to purchase it, and then volunteered to install it themselves! We're lucky to have such an incredible group of players who give back to the community both on and off the court!

❖ Across our three main youth sports seasons, 694 participants took part in soccer and field hockey in the fall, basketball in the winter, and baseball, softball, T-ball, and track and field in the spring. Together, they participated in 990 games and practices throughout the year, building skills, teamwork, friendships, and a lifelong love of being active!
